PERSPEX® CARE: For general purpose, cleaning PERSPEX® should be washed simply with clean cold water to which a little detergent has been added. Care must be taken to use not abrasive cleaners. Chamois leather or soft cloths are preferred. The use of any solvents such as thinners, turpentine, white spirit or proprietary window cleaning products is neither necessary nor recommended. From time to time, it is perfectly acceptable to use a soft cloth wetted-out with a small quantity of methylated spirits to remove any stubborn, long term stains.

FLEXURAL PROPERTIES: ISO 178 (2mm/min) MPa 116

TOXIC PROPERTIES: Non toxic, lead free, BPA free, ROHS complainant, Food grade safe.
